Date/Time: Tuesday, August 19th 2025 at 6:30 PM. Eagle Town Hall

This report covers weekend activities performed by Town of Troy Water Patrol Police. July, 4th 2025 through, July 27th 2025. Weekends, weather permitting.

For the month of July, on Eagle Spring Lake, our patrol has had a total of 95 contacts, issued 2 citations, 6 written warnings, 4 verbal warnings and conducted 7 boat safety compliance checks. The citations are as follows: 2 citations for improper display of registration identification numbers or expired decal on boat. In addition we gave 6 written warnings, 4 for navigation rules, 1 for registration and numbering violations, and 1 for not having a fire extinguisher on board boat at time of boat stop. During the patrol period, our patrol gave a total of 4 verbal warnings. Most of which were for navigation rules such as going the wrong direction on the lake and other related safety violations. While on patrol we assisted 2 vessels with mechanical problems and answered boat related questions with the residents on and off the lake. We also had no incidents to report for July, 12th while on patrol during the firework show. We reminded boaters to keep their navigational lights on and kept them at a distance of 500 ft from the firework barge. This was done for everyone's safety who attended the event on the lake. During this reporting period, we only received 1 complaint of a boat going the wrong direction on the lake. Unfortunately, we were not able to locate the violators for that complaint. No injuries or incidents to report for the month of July, 2025.

Respectfully submitted,

William Musolf
