5) **Public Comment**
    a. Commissioner Sam Awve had a concern with sensors positioned around the lake. Unclears as to the rules or restrictions on placing sensors at will around the lake. Some sensors may be from an old weather station. Chairman Voves will inquire with Pete as to the history. Temperature sensor in the channel to be removed.
6) **Old Business**
    a. **Dam Updates**
        i. Kroll laser is not giving accurate reading, will need to paint the interior of the pipe flat black to prevent lasers from bouncing around and giving inaccurate readings.
        ii. Considering sharing the data recorded at the Kroll dam site on the website.
        iii. Late bill from spring received from Aquarius Systems, need to communicate maintenance outside of routine and confirm before allowing. Bill received late, paid promptly.
        iv. Maintenance easement approved by residents. Chairman Voves has landowner permission to preform a survey of the property and maintenance area. Need to complete by the end of September.
    b. **Weed Harvesting**
        i. Nothing to update about chemical treatment
        ii. Four or five loads of eel grass was removed. Continuing to see Stony Starwort.
    c. **Clean Boats / Clean Water**

i. Commissioner T. Day reported the end of survey work season on Labor Day weekend. Gina and T. Day are working on a summary.
ii. Seeking 3 or more employees along with a supervisor to run the CBCW program

d. **Audit Update**
    i. No large issues to report. Received the audit back from the accounting company, a lot of boiler plate explanations, looking for a more detailed report to our district.
e. **Website/Email Issues**
    i. Some access has been removed to areas of the website, in communication with the website host to resolve along with a billing issue.
f. **Priorities Review**
